# Earn up to 15 recertification points at three of Virginia's premiere museums!

**Wednesday, August 11<sup>th</sup>:**

## **Women and Minorities in the Military:**

Since the American Revolution, African-Americans have served in the U.S. military with distinction and dignity in the face of discrimination and conflict. Women assisted the military in a medical capacity as early as the Civil War. World War II provided these and other minority groups with an unprecedented opportunity. Join us for a history of triumph and tumult.

## **Thursday, August 12<sup>th</sup>: The Cold War:**

The second half of the 20<sup>th</sup> century was shaped by the confrontation between two great atomic powers: the United States and the Soviet Union. War was unthinkable but never far away. Explore with us the origins of the Cold War at the close of World War II, the Korean and Vietnam Wars, the Bay of Pigs and the Cuban Missile Crisis, the USS *Liberty* controversy and Cold War Naval intelligence.

## **Friday, August 13<sup>th</sup>: The Art, Science and History of Shipbuilding**

Discover the nautical history of Hampton Roads in Portsmouth, home of the oldest naval shipyard in the United States. From sloops to ironclads, submarines to battleships, the evolution of shipbuilding tells the story of America's seafarers. At this hands-on workshop, you will test different bow and hull shapes, find out how a bulkhead works and help build a 20 foot scale model of a World War II-era destroyer.

★ The Hampton Roads Naval Museum and the MacArthur Memorial are located in the heart of downtown Norfolk. The Children's Museum of Virginia is located just across the river in Portsmouth's historic district.

★ Workshops will be held from 9:00 a.m. to 3:00 p.m. and are each worth **five Virginia state recertification points**.

★ Registration fee of \$10 (per workshop) includes teaching materials and a boxed lunch.

★ For registration information, see attached form. Registration is limited to 30 teachers and will be on a first come, first served basis so act quickly!

★ *Virginia Beach teachers, ask your social studies coordinator about additional workshop dates available through the Teaching American History Grant.*
